I'm simply pointing out that any printed book can be changed, whether the changes are authorized or not.

Not if they're sitting on your shelf.

If we humans have developed some technology that is completely new - possibly connected to cern or the D-wave computers - and that new tech is causing the weirdness we're seeing - then we might get an explanation from them at some point.

An IF I had some ham I could have a ham sandwich, IF I had some bread. But the IF here isn't going to be met, because the technology you're talking about isn't technology, it's magic.

But if the fallen angels are involved, then the likelihood that we'll get an explanation drops to zero.

Nothing in scripture indicates that angels, fallen or otherwise, have the power to change the past. They have such powers as God has granted them, they aren't omnipotent.

1. The Thinker - Never really paid attention to it
2. Ed McMahon - Who?
3. Kennedy Car - At least 5. Driver, Kennedy, Jackie, Connelly, at least one SS man.
4. Moon Landing(s) Several. First one, and one where they carried up the "moon buggy", one where they drove golf balls, etc.
5. Where's Your Heart? Where it's always been, with ventricles and aorta on the left which is where you hear/feel it best
6. Airplane Engines Air scoops have to be ahead of the leading edge of the wing else it fouls up the air flow into the engine. Old turbojets were longer and tended to look closer to the trailing edge of the wing.

The Berenstain Bears series of children's books have all changed to "BerenSTAIN", while they were sitting on my bookshelf.

They were always Berenstain. I read them to my young'uns 30-odd years ago, and they were Berenstain then.

I don't know what the tech involved is, but I talked about the possible explanations in my notes.

No technology at all. Only magic, and there isn't any magic.

A technology that is sufficiently advanced will appear to be "magic" to someone unfamiliar with that tech.

We're talking about nonexistent tech here.

Regarding Isaiah 11:6 - Did you ever commit that verse to memory? When? And did it say "wolf", or "lion"?

I never memorized it.

How certain are you that your books were "BerenSTAIN"?

Yep. Even noted to my wife that it was a name I had never heard before.

Brothers and Sisters,

Thank you for allowing me to share my experience with you all.

For those of you who are Affected: Remember that the Lord is ultimately in charge. Regardless of how anything looks or feels - and regardless of anything that does or does not happen, we can (and must) trust the Lord Jesus. He is the Living Word, the Life, the Truth, and the Way.

For those of you who are Unaffected: Please be patient and kind with those of us who are. Your prayers on our behalf are appreciated.

For those of you who are being arrogant and cruel: I forgive you, and counsel you to take these issues to the Lord as humbly as you can.

If any of you want to stay connected with me online, here is my email address:

treeweaver@yahoo.com

Again, my thanks to you who have received me with kindness.

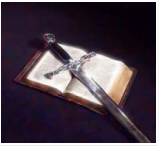

Hang on, friends. The Lord is coming.

"like the Lion shall lie down with the Lamb, changed to Wolf dwell with the Lamb,". I know and can see how some might think something changed. But one has to look at both sides. Well I know searching in history going back a very long time.. still written "Wolf and the lamb " Or Mandela... some know when he really died vs those that thought he died and ..wait? Still alive? The fact there are more that KNOW he never died twice. On and on. Back the start.. I know I can search today and find Lion with the lamb. That always bothered me. Well.. a lion? Should it not be a wolf? Wolf in sheep's clothes? Its just we really nee to be careful the paths we take.

See what I personally know is Satan and all the things God gave him.. he still has. Yet twisting time.. something no man no angel fallen angel can do. For me if I started to think I can't trust the bible.. then anything can be true. And then for me to know I have Christ in me.. the sweet sweet holy Spirit in me.. yeah.. why can't one just pray seek and ask Him? Is He not real? Does He not speak? The bible says He does. Talks more then we do.

Should not have to say this.. I am NOT speaking against what anyone believes.. PLEASE don't take it personal. Did not do not mean to offend. Just sharing truth as I understand.

"Jesus I am so in love with you" "Keep The Faith"
"Who will go for me: Sent ME" " I will stand in the gap"

Perilous Times are here. It was always wise to ask for the Lord's guidance when we went to the printed Word.

Now, it is absolutely vital that we are guideable and guided by the Lord, especially when we are studying scripture.

Don't go and delete your posts Howard. If they can't see it, it is what it is, but your posts would stand as a record buddy. That's why we started the [Amos 8](#) site, so that the record would be even more available to folks, despite the ridicule.

Sooner or later, something will smack these fine folks betwixed the eyes where they will see. Or visa-versa if we're wrong. I don't believe we are though. The supernatural element is something I don't believe they are expecting or even wanting to see. Just stay strong sir.

Thank you for your encouraging words.

It looks to me like we're in the Times the Lord described in [Matthew 24](#). When pretty much everyone will be at each others' throats. Whether we talk about countries, races, socio-economic classes, families, or individuals - it's getting difficult to

simply talk with folks and compare notes. Comments like "what does it look like to you" and "this is the way it looks to me" give way to exasperation and/or ridicule. I think it has something to do with "iniquity abounding".

At this point, I'm just waiting for the Lord's return, and trying to keep my connection with him healthy. There's so much weirdness in the world, I am forced to rely solely on the Lord.

I suppose I'll share my thoughts and notes on the QE/ME if I come across someone who's struggling with this stuff, in the hope it might help them. But unless the Lord directs me to, I'm done with trying to convince anyone of anything.

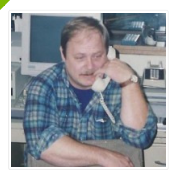

If you don't mind telling me - what do you feel in the Spirit nowadays?

Well, the Spirit does speak expressly about these days. Men will be scoffers, walking after their own lusts. Perilous times are a coming buddy, if not already here. But in this conversation, some have at least paid a little bit of attention. And a seed might have been planted. We need to at least thank them if they did listen. Then we just need to leave them alone...

Well, thank you for asking. If I were any more blessed, I'd be three people. And you?

So you are no longer "effected"?

Me? I miss the good old days when there was no virus and more love.

Effected??? As in ME Effected??? No, maybe a little vexed from time to time. Why do you ask? Oh, and there'll be no more good ole days my friend. So are we striking up a conversation again. I thought most here were thinking I had gone mad or something.
