Just out of curiosity, I'd like to ask:

Do any of you folks recall studying about Australia and it being chosen as a penal colony, in part because of its isolation?

Sure enough. That was taught in grade schools and high schools (and colleges?)
Nothing mysterious about that though, is there ?

if you find someone who is honest,(rare in any country, etc....)....

This world and it's leader does offer up deception indeed. It Is Written.

Australia is no longer the isolated body that I learned about in 6th grade. Now, it's tucked up close to Papua New Guinea. Not a good choice for an isolated penal colony.

??? A particular dog my uncle brought over to my grandma's house when I was two or three years old seemed very big and tall to me. Decades later I still thought that it was the size of a big great dane..... then I saw pictures of it - and it was perhaps half the size

Nothing unusual about those perceptions changing - it is natural in life.

Making up a mandela effect opposed to Scripture to explain it, is not good.

Serious question: if someone's world view suddenly changed so dramatically, why would said person want to continue living?

I mean, even if they were once loved and successful, they would find themselves on the outskirts. They certainly could no longer fit in. The response on this thread alone indicates this truth.

So what would be the point, then? And where is God in that equation?*

As we grow in Christ and grace, and I admit grow older, we come to realize what scripture has said all along. "Store up your treasures in heaven", "we live in this world but are not a part of it" (the world system in a spiritual sense). Our eternal destiny is with Him. Some run right overboard with this and lose sight of reality all together. We should enjoy God's creation and give the glory to Him. We should enjoy life with a free heart in Christ and give the glory to him.. Part of the message too, is to love. Course we don't know true love till we experience agape love, to experience that we first must be His.

That's my short reply, probably soon to be picked to death lol !!

Without any thought nor reference to the deceptive m. effect, which is made up myth.
The disciples lives were totally changed when they turned to follow Jesus and to be His disciples.
Same today. Life is turned upside down , suddenly and delightfully - FREE FROM the old sinful direction and nature (still a DAILY BATTLE)
WHY CONTINUE LIVING !? IN JESUS _ LIFE LIFE LIFE !!! For His Sake !
See WHY the disciples in ACTS continued LIVING daily full of JOY, PEACE and RIGHTEOUSNESS.... (and in the other Epistles where described)....
Where is God (not in an equation, no)..... ?
It is only by the Father's Doing, Trusting Him to accomplish salvation, that anyone is saved from this evil wicked generation !

It really is not just a thought experiment , it happens daily in real life.

What hope does anyone have to continue living ? (Jesus)!

What does Scripture say about Why would someone want to continue living when they discover how wicked the world and society is ?

The things happening are experienced by multitudes.
So?

It has no basis in a so-called and false m effect.

If someone wants to know about what is happening, and why, turn to the Father... HE KNOWS.

He exposes such societal deceptions and says not to fool around with them.

Whatever it is, we didn't "make it up".

We are experiencing something very strange.

The fact that you are not having the same experience does not give you license to insinuate that we are crazy, or stupid, or whatever term you might use to denigrate and insult us.

We are your brothers and sisters.

i.e. Yahweh's Way, Yahweh's Wisdom, Yahweh's Instruction,

instead of men's deception (or demonic deception).

Learn the truth from Yahweh, always test by His Word - the truth is always in complete harmony with His Word.

The enemy and the false teachings are opposed and contrary to His Word.

About 150 kilometers. Pretty fair swim, reckon? But then again, most of the penal colonies were on the other side of the continent, weren't they? Or over in Tasmania (Van Diemen's Land). Just stroll across a few thousand clicks of desert and then a refreshing 150 kilo swim. No worries. Sounds like you didn't really understand it all very well then you were little.

[The 'Mandela effect' and the science of false memories](#)*

From the article: "Ultimately, the Mandela effect exists because the internet is a powerful tool for spreading misinformation ..."

I've come across that article a couple of times. It has some valid points - we do have faulty memories from time to time, especially as we get older. But the article, like so very many others, is completely dismissive of the experience of the Affected.

Whether it's because of an arrogant feeling of superiority, or a deep and unspoken fear that there might be something truly terrible happening, or some other motivation - those who are unaffected often come off as callous and dismissive.

There is a series of videos on YouTube called "Fearful And Angry Mandela Effect Testimonies". About 50 videos, I think. They consist of several people (per video) giving their accounts of being affected by the QE/ME. In my opinion, it's worth watching (but there is quite a lot of profanity). Whatever is going on, a lot of people are being affected.

I don't know what is happening, but my best guess is that the [Daniel 7:25](#) prophecy is unfolding. It appears as though someone is using a technology unknown to most of us, to reach into the past and make changes there, which show up in our present reality. The fact that we have residuals of "Berenstein", "Oscar Meyer", etc might mean that they haven't mastered this new technology yet.

But of course these are guesses. All I can say for sure is that something "great and terrible " is happening, and not everyone is aware of it - yet.

I came to this site looking for fellow believers who are seeing the changes, and thankfully there are some here. I have no one but the Lord to talk with about these things in my daily life, and so I'm grateful to have found you all.
